

## Poster Group IV: Centers and Networks (Room 390)

<b>43</b>	Ahmed	Busnaina	Northeastern University	NSEC: The NSF Nanoscale Science and Engineering Center for High-rate Nanomanufacturing
<b>44</b>	Jacqueline	Isaacs	Northeastern University	NSEC: Center for High-rate Nanomanufacturing
<b>45</b>	Li	Zeng	UC Berkeley	NSEC: Center for Scalable and Integrated Nanomanufacturing
<b>46</b>	Mark	Tuominen	UMass Amherst	NSEC: Center for Hierarchical Manufacturing
<b>47</b>	Robert	Westervelt	Harvard University	NSEC: Science of Nanoscale Systems and their Device Applications
<b>48</b>	Matthew	Gilbert	UI Urbana-Champaign	NSEC: Center for Probing the Nanoscale
<b>49</b>	Andrew	Greenberg	University of Wisconsin Madison	NSEC for Templated Synthesis and Assembly at the Nanoscale
<b>50</b>	Barbara	Harthorn	UC Santa Barbara	NSEC: Center for Nanotechnology in Society at University of California at Santa Barbara
<b>51</b>	Robert	Chang	Northwestern University	NCLT: National Center for Learning & Teaching in Nanoscale Science and Engineering
<b>52</b>	Carol Lynn	Alpert	Museum of Science	NSEE: Nanoscale Informal Science Education Network
<b>53</b>	Larry	Bell	Museum of Science	NSEE: Nanoscale Informal Science Education Network
<b>54</b>	Mehmet	Sarikaya	University of Washington	MRSEC: Genetically Engineered Materials Science and Engineering Center
<b>55</b>	Sandip	Tiwari	Cornell University	NNIN: National Nanotechnology Infrastructure Network
<b>56</b>	World	Nieh	USDA Forest Service	Public-Private Partnership for Nanotechnology Research and Development in the Forest Products Industry
<b>57</b>			University of Minnesota	MRSEC
