

Dr. Lynn K. Zentner is the Managing Director of NCN. She is responsible for the day to day operations of the NCN team and also is involved in outreach and engagement, particularly with the science gateway community. She was previously a visiting professor in the Mechanical Engineering Technology Department at Purdue where she focused on materials, fluid dynamics, and finite element analysis. Dr. Zentner received a Ph.D. in Mechanical Engineering from Purdue University in 1993 and has been involved in modeling and simulation research since 1986.
