

NSF NANOSCALE SCIENCE AND ENGINEERING GRANTEES CONFERENCE: NANOBIOLOGY
DECEMBER 7-8, 2023

David Rockcliffe

Program Director
National Science Foundation

Bio: David A. Rockcliffe is a permanent Program Director in the Division of Molecular and Cellular Biosciences (MCB) in the Directorate for Biological Sciences at the National Science Foundation. He joined NSF in 2007 as a visiting program director in MCB and was part of the Molecular Biophysics cluster and became a permanent program director in the same program in 2009. In 2013 he transferred to the Chemistry of Life Processes program in the Division of Chemistry and returned to MCB in 2017 as the cluster leader for the Systems and Synthetic Biology cluster. He is currently a program director in the Systems and Synthetic Biology cluster.
